Project [REDACTED] attended by representatives  
of SO/LO, ACO/LO, and IT/LO

25X1A9a

1. As agreed at the referenced meeting, it is requested  
that subject contract be amended to provide as follows:

a. Delivery of first 25,000 items due 16 December

2. A representative of the Transportation Division, Major  
[REDACTED], will personally make contact with the contractor a few  
days prior to 16 December for the purpose of specifying the exact  
time for delivery and the consignee.

3. The contractor should be instructed to mark each outside  
container for these items only with the words "Lot No. 6401." No  
other markings are to be made by the contractor.

4. It is requested that the amendment to the contract also  
specify that the contractor will ship the balance of the contract  
in one lot to a destination on the eastern seaboard. The exact  
address to be placed on the shipping containers will be given to  
the contractor at a later date.

5. The shipping costs are to be charged to the same account
